BEFORE THE JUSTICE.

Several Cases Disposed of Last Night and This Morning. Justice Toomey's court was crowded last night by litigants who aired troubles of various degrees, some of the cases being on offenses of serious character and many pertaining of such a trivial nature that the Justice frequently gave vent to exclamation of impatience.

The most important case was that of Millie Derr, whose home is in Wm. Penn, but who has been living as a domestic at a Lithuanian boarding house on North White street. The woman is a German Pole and given her age as 30 years, but looks older. She made the serious charge of rape against Joe Katchinsky, a boarder in the house in which she is employed. The story of the woman was that at about eleven o'clock on Monday night she was on her way to go to bed when Katchinsky intercepted and forced her into his room. After taking the depositions of several witnesses Justice Toomey dismissed the charge made by the woman and held the prisoner in \$300 bail to answer the charge of fornication at the September term of court.

The next case to arouse interest was one instituted by Harvey E. Kindt, the prizefighter, against August Waukhaus, the West Centre street saloonkeeper, whom Kindt charged with selling liquor to minors and on Sunday. The accused waived a hearing and entered \$800 bail for trial. He says Kindt is his tenant and that the suit is a piece of spite work following some trouble they have had. Jennie Reilly, a well known young woman of town, was also a complainant before the Justice. She resides on West Esplanade alley with her parents. Her complaint was made against Carl Constantine, a neighbor, and the charge is one of assault and battery. Miss Reilly is a victim of St. Vitus' dance and the disease causes her to frequently make involuntary exclamations and gestures. It is charged that Constantine and his friends make a practice of mocking the young woman and yesterday he spat in her face. Constantine was put under \$300 bail.

John and Andrew Messawitz were defendants on a charge of highway robbery on complaint of John Gittatris, who alleged that on Saturday night, last, the defendants robbed him on the highway at Brownsville and while one held him by the throat, the other snatched him five dollars. The accused were put under \$300 bail each. Mary Patchik was arrested on oath of Mary Binsky for assault and battery. The testimony showed that after an exchange of compliments upon a recent visit to her home, the wife followed Mary, the puncher, was put under \$300 bail.

Ellis Darvish, an Arabian, was before Justice Toomey this morning, charged with trying to defraud John Conroy out of rent. The complaint was that Darvish leased a store room and dwelling from Conroy for a year and remained in it a short time over a month. At a late hour last night Darvish vacated the premises.

A FEARFUL FALL.

Plunged One Hundred and Fifty Feet Down a Manway. Special to Evening Herald. MAHANOV CITY, Aug. 12.—Frank Yokell, aged 22 years and unmarried, lies at his home on West Mahanov avenue, suffering from probably fatal injuries received at about one o'clock this afternoon by falling head first down a manway at Suffolk colliery, a distance of about 150 feet. His injuries are eight headed, wounds on the head, contusion of the right eye, backward dislocation of both bones of the right arm, wrist fractured, bruises about the back, chest and hips, and is suffering also from rancid meningitis, as a result of striking upon his head. There is little hope of his recovery. Yokell's employer, a farmer, laborer at Suffolk colliery. He was walking close to the manway when he tripped and plunged into it. He was found lying unconscious in a pool of blood at the bottom. At 3:30 this afternoon he was still unconscious and hovering between life and death.

Kendrick House Free Lunch. Grand Army bean soup will be served, free, to all patrons to-night.

Child Run Over. The eight-year-old daughter of James Shields, the First ward hotelkeeper, had her right leg and left arm mangled by being knocked down and run over by a farmer's team on North Main street this morning. The child was removed to Hagabuch's drug store and attended by Dr. D. John Price, after which she was taken home. The farmer is exonerated from blame in the matter. The child ran in front of the horses when getting out of the way of another team going in the opposite direction.

At Kepheshick's Excuse Cafe. Mock turtle soup, free, to-night. Hot lunch to-morrow morning.

Official Visit. The hall of the Volunteers of America in the Wilkinson building was well filled last night, the occasion being a reception to Lieutenant Colonel Lindsay, who delivered an address and assisted the corps in conducting its usual exercises. Before the meeting there was a string parade, in which the Grand Band took part. Lieutenant Lindsay being escorted from the railway station to the hall.

Last Night's Hop. The assembly given by the sewing girls in the dress-making establishment of Miss Malloy, in the Daugherty building, last evening, was a largely attended affair. It is estimated that over forty couples danced to the strains of the orchestra that furnished the music. The dresses worn by some of the ladies were exceedingly beautiful.

NOW UNDER MARTIAL LAW.

That is the Practical Result of Sheriff Lowry's Order.

WOMEN WILL DO THE MARCHING.

Wives and Daughters of Miners Will Represent Husbands and Fathers in the Miners' Demonstrations—Farmers, Too, Will Form a Parade.

Pittsburg, Aug. 12.—Martial law has to all intents and purposes been declared in Plum, Patton and Wilkins townships by Sheriff Lowry. The three mines of the New York and Cleveland Gas Coal company are in those townships, and all roads leading to them will be patrolled by his deputies. Persons walking or driving along the roads who cannot give a satisfactory account of himself or herself will be ordered to leave the neighborhood, and upon refusal will be arrested. The sheriff will not attempt to break up the camp of the strikers until the court has passed on the question, but announced that he is determined to stop the marching and trespassing on the company's property. No one will be allowed on the company's property who fails to obtain the permits signed by Superintendent DeArmitt.

After a conference last evening between the sheriff and strike leaders the latter are convinced that the sheriff's latest order means practically martial law. They understand that the sheriff will not permit the miners, but cannot march nor do anything toward getting the DeArmitt men out. They cannot go about either in squads nor singly if their mission is for anything but to attend to private business. They cannot call on a friend if he should be located on company grounds. Under the present conditions it is expected the camps will be greatly reduced in numbers, as only a few men will be needed.

The contemplated plan to have the women make marches, which was to have been inaugurated yesterday, under the leadership of the wives and daughters of the strikers will now take up the work which the men have been enjoined from doing. The leaders think the injunction is not operative against women, and it remains to be seen what the outcome will be.

A new element is to be introduced at an early date. The farmers of the entire country surrounding the several camps are making extensive preparations for a demonstration to show their sympathy for the striking miners. They propose to have a parade headed by a band and march down the Saltsburg road and over the hills. There will be no "on to the mines" sentiment, or any effort to get the miners out. No missionary work is to be attempted. The demonstration is purely for the purpose of showing sympathy for the strikers, and the preparations for the event have been carried on last night by one of the prime movers. He says the class of men who will compose the parade have no fear of interference, and will not disband at the command of a President Dolan, headed by a band and march down the Saltsburg road and over the hills. There will be no "on to the mines" sentiment, or any effort to get the miners out. No missionary work is to be attempted.
